

REPUBLIC OF SOMALILAND

MINISTRY OF FOREIGN AFFAIRS & INTERNATIONAL COOPERATION

Priority Sectors for Investment

Somaliland is a land of unexploited potential and emerging opportunities. Strategically located in the Horn of Africa, with an 850-kilometer coastline along the Gulf of Aden, it is a natural gateway to African and Middle Eastern markets. Blessed with abundant natural resources, a resilient and youthful population, and a deep-rooted cultural heritage, Somaliland offers a stable and investor-friendly environment.

The government is prioritizing key growth sectors are agriculture, livestock, fisheries, technology, trade & logistics, mining, and renewable energy, each supported by a government committed to economic transformation and sustainable development. With competitive business policies, improving infrastructure, and a growing appetite for innovation, Somaliland stands ready to welcome forward-thinking investors and partners. We invite you to explore the opportunities that await in Somaliland, where tradition meets ambition and investment drives impact.
