### Heritage Sites

#### MAYDH

Maydh is a seaside town in the Sanaag region, located around 90 kilometers west of the route Xiis (also referred to as Mundus) along the shore

#### ZEILA

Zeila is a historic coastal town in Somaliland's Awdal region. Zeila was one of the most prominent ports on the Somaliland coast until medieval times. The old city has vanished as a result of the ravages of time and battle. For at least a millennium, Zeila was Somaliland's principal emporium, through which the Horn's goods were shipped around the world and a variety of imports were brought into the continent.
